Addendum to Publication Agreement

1. Publication and Parties

1.1 Publication

This Addendum modifies and supplements the attached Publication Agreement concerning the following publication (“Publication”):

Title: ________________________________________________________________

Journal: ____________________________________________________________________________

1.2 Parties

The parties to the Publication Agreement and this Addendum are:

Corresponding author on behalf of all authors: _____________________________________________ ("Author")

Publisher: ______________________________________________________________________________ ("Publisher")

2. Background

2.1 Prior Agreements

Publisher acknowledges that the Author’s assignment of copyright or the Author’s grant of exclusive rights in the Publication Agreement is subject to the Author’s prior grant of a non-exclusive copyright license to the Author’s employing institution, a funding entity and/or other parties that financially supported the research which is reflected in the Publication and therefore the Parties make this Addendum.

3. Rights Retained by the Author

3.1 Addendum Provisions

The parties agree that wherever there is any conflict between this Addendum and the Publication Agreement, the provisions of this Addendum are paramount and the Publication Agreement shall be construed accordingly.

3.1.1 Depositing to a Repository

The Author retains the right to deposit, as soon possible and at the latest on publication, a machine-readable electronic copy of the Publication to an institutional and/or subject based repository. Upon deposition the original source will be properly attributed, a link to the Publishers website containing the original Publication is provided and references will be made to the original Publication.

3.1.2 Making Available to the Public

The Author retains the right to make a copy openly available to the public in an institutional and/or subject based repository.

1) On publication if the scientific publication is published "open access", i.e. if an electronic version is also available free of charge via the Publisher.
Or
a) within six (6) months of publication
   or
b), within twelve (12) months of publication in the field of social sciences and humanities

When making available to the public the original source will be properly attributed, a link to the Publishers website containing the original Publication will be provided and references will be made to the original Publication.

3.1.3 Version Deposited and Made Available to the Public

The Author has the right to deposit and make available to the public, according to section 2.1.1 and 2.1.2 of this Amendment
   ( ) the final manuscript after peer review accepted for publication

   or

   (...) the published version.

   If none is chosen, the copy allowed is the final manuscript after peer review accepted for publication

4. Publishers Assent and Signatures

4.1 Assent
For record keeping purposes, the Author requests that the Publisher signs a copy of this Addendum and returns it to the Author. However, if the Publisher publishes the Publication in the journal or in any other form without signing a copy of this Addendum, such publication manifests the Publisher's assent to the terms of this Addendum.

4.2 Signatures
